Rise and shine! Let's start our trip with the Sunshine
State in Brisbane.

It's home to Australia's only beach in the middle of a city.

Dip your toes in the water while looking out at tall
skyscrapers.

If you venture too far while you're down in Tasmania,
you might find yourself at the Edge of the World!
You'll be looking at the longest uninterrupted section of
ocean on the planet. It might get a bit windy!

THE EDGE OF THE WORLD, TASMANIA
