"Kirrily was wonderful with the students. She talked to them about how she came up with the idea of The Invisible Tree, why she thinks it's important to be teaching children about the character traits God has given us and how we can grow them and use them. She also read her stories to the children and signed copies for children who had pre ordered them.

*The students loved hearing from a real author and were so excited to be taking home an autographed copy of Kirrily's book. I had a lot of positive feedback from staff and parents on her visit and books also. One parent wrote 'I just wanted to let you know how much L*** enjoyed the 'Author Visit' today. She was able to tell me all about it and she loved reading the books to me this afternoon. The books are great and are a lovely addition to our family library.' " - Mel Baxter
Teacher Librarian NorthCross Christian School.*
