Art, craft and illustration workshops

Illustrator/Speaker: Sandra Temple

Sandra is available for art, craft and illustration workshops for children from Grade 2 to Grade 12, ranging from “make your own critter” to “conservation and wildlife art”. These workshops are conducted for a nominal fee, and can be catered to a school’s particular curriculum.

Sandra has been a professional artist, illustrator and author for more than 30 years and a body painter for 3 years. She has travelled extensively with her art, gaining insights into her special interest, the worlds’ endangered species, although she paints all subjects in all mediums.

Sandra has paintings in private, corporate and government collections nationally and internationally. She holds classes in all mediums and is in demand as a workshop tutor in Australia and overseas.
