

Star! Stable! Saviour! : The Christmas Story in S

Witty and wordy, strange and absurd-y, truthful and fun for all the family: this is the Christmas story superbly retold by Cameron Semmens using virtually nothing but words starting with 'S'.

Cameron's way with words is amazing, but not as amazing as the story itself - God coming to the earth as a baby, born in a smelly little stable. Now that's unexpected!

This book is a one-of-a-kind; for one-and-all; and one version of the Yuletide saga that you won't forget in a very long time!
