Ruby Wishfingers is an ordinary girl with an extraordinary name. Only nobody else seems to think so.

That is until Ruby Wishfingers wakes up with a strange feeling in the tips of her fingers. She soon finds out that there is far more to being a Wishfingers than having a funny name.

Ruby can wish for whatever she wants with her wish fingers. However, she soon realises that they create more trouble than good.

Ruby Wishfingers will take you on a magical adventure, featuring talking cats, jelly bean rain and pocket-sized unicorns.
